Changes

KCOM is working to develop and launch:

- a revised Wholesale FibreLine Local Access (WFLLA) product, which will offer connectivity either in exchanges or to a CP point of presence anywhere in the Hull Area and
- a Dark Fibre Access product

These services will be made available from 1 May 2022 and 1 August 2022 respectively.

As an interim step and in order to meet customer requirements, we are publishing a new agreement covering the provision of:

- Co-Location Services,
- Exterior Cable Connect and
- Internal Cable Connect.

These services, known as Ancillary Services, will be available to order from 11 March 2022 and will provide connectivity within KCOM Exchanges to support a number of products.

They will be available to be used as connectivity options for the revised WFLLA Reference Offer and the Dark Fibre Access Reference Offer and the Reference Offer for Ancillary Services will be amended to incorporate these options when they are launched.
