Mark Smith
PSN Head of Compliance

This Public Services Network (PSN) service provision compliance certificate is issued following completion of the PSN Service Security Standards (PSSS) process. It shows that your organisation has successfully demonstrated to the PSN team that the above service is suitable for handling public sector information at OFFICIAL and does not present an unacceptable risk to the security of the PSN. Your certificate is valid until the expiry date shown above. It may be withdrawn at any time in accordance with the PSN Code of Practice (CoP) if it is found that the certified service no longer meets the agreed standard.
