RECOMMENDED CASH OFFER

for

KCOM GROUP PUBLIC LIMITED COMPANY

by

MEIF 6 FIBRE LIMITED

a wholly-owned indirect subsidiary of Macquarie European Infrastructure Fund 6 SCSp (an investment fund managed by Macquarie Infrastructure and Real Assets (Europe) Limited)

to be implemented by means of a scheme of arrangement under Part 26 of the Companies Act 2006

Summary

- The boards of MEIF 6 Fibre Limited (*MEIF 6 Fibre*) and KCOM Group Public Limited Company (*KCOM*) are pleased to announce that they have reached agreement on the terms of a recommended cash offer, to be made by MEIF 6 Fibre, a wholly-owned indirect subsidiary of Macquarie European Infrastructure Fund 6 SCSp (an investment fund managed by Macquarie Infrastructure and Real Assets (Europe) Limited (*MIRAEI*)) (*MEIF 6*), for the entire issued and to be issued ordinary share capital of KCOM. It is intended that the Acquisition will be implemented by means of a scheme of arrangement under Part 26 of the Companies Act.
- Under the terms of the Acquisition, KCOM Shareholders will be entitled to receive:
 - for each KCOM Share 108 pence in cash**
- The Acquisition Price represents:
 - a premium of 49 per cent to the Closing Price of 72.5 pence for each KCOM Share on 23 April 2019 (being the last Business Day prior to commencement of the Offer Period);
 - an increase of 11 pence to the USS Offer of 97 pence per KCOM Share;
 - a premium of 52 per cent to the volume weighted average share price of 71.2 pence per KCOM Share in the 30 days prior to 23 April 2019 (being the last Business Day prior to commencement of the Offer Period); and
 - an aggregate value of £563 million for KCOM's issued and to be issued share capital.
- If any dividend or other distribution or return of capital is authorised, declared, made or paid in respect of KCOM Shares on or after the date of this Announcement and prior to the Effective Date, MEIF 6

Fibre reserves the right to reduce the Acquisition Price by an amount up to the amount of such dividend or other distribution or return of capital for each KCOM Share, in which case eligible KCOM Shareholders will be entitled to receive and retain such dividend or other distribution or return of capital.

KCOM recommendation

- Pursuant to a firm offer announcement dated 24 April 2019, a cash offer was made for the acquisition of the entire issued and to be issued ordinary share capital of KCOM by Humber Bidco Limited, a wholly-owned indirect subsidiary of Universities Superannuation Scheme Limited (acting in its capacity as sole corporate trustee of Universities Superannuation Scheme) by way of a Court-sanctioned scheme of arrangement.
- In light of the superior proposal put forward by MEIF 6 Fibre as compared to the USS Offer, the KCOM Directors, who have been so advised by Rothschild & Co as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing its advice to the KCOM Directors, Rothschild & Co has taken into account the commercial assessments of the KCOM Directors.
- Accordingly:
 - the KCOM Directors intend to recommend unanimously that KCOM Shareholders vote in favour of the Scheme at the Court Meeting, and in favour of the General Meeting Resolution to be proposed at the General Meeting; and
 - the KCOM Directors have withdrawn their recommendation of the USS Offer and the KCOM Board proposes to adjourn the USS Scheme Meetings convened for 5 June 2019 to consider the USS Offer.

A transaction implemented by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the US Exchange Act. Accordingly, the Acquisition will be subject to UK procedural and disclosure requirements and practices applicable to a scheme of arrangement involving a target company in England, which are different from the disclosure requirements of the US tender offer and proxy solicitation rules. 3. Background to and reasons for the Acquisition

MIRA is one of the world's leading alternative asset managers. For more than two decades, MIRA has partnered with investors, governments and communities to manage, develop and enhance assets relied on by more than 100 million people each day. As at 31 December 2018, MIRA managed over €110 billion in assets that are essential to the sustainable development of economies and communities, including: 200 portfolio businesses, approximately 400 properties and over 4 million hectares of farmland.

MIRA has been a leading owner and investor in critical telecommunications infrastructure since the early 2000s. Under MIRA's management, assets such as fibre and cable broadband networks, broadcast infrastructure, secure mobile networks, pay-TV and mobile towers have provided services to millions of consumers and business customers.

MIRA believes the acquisition of KCOM, via MEIF 6 Fibre, represents an attractive opportunity given KCOM's strong position in the market and the community in which it operates. MIRA intends to work with KCOM management team with the aims of expanding the HEY network, increasing consumer choice and maximising network utilisation.

The specific attractions of KCOM to MIRA include:

- (a) the HEY division's ownership of critical infrastructure and fibre roll-out initiative setting a stepping stone for local business growth and innovation. In the long term, MIRA aims to increase third party access to KCOM's network infrastructure to improve customer offerings, customer choice and retail competition;
- (b) the opportunity to use additional investment to meaningfully expand fibre network beyond the current footprint of the HEY business. MIRA believes an expansion of KCOM's existing footprint will increase fibre accessibility, reduce digital exclusion and deliver the infrastructure needed for the economy to prosper in the region; and
- (c) infrastructure funds managed by MIRA have invested into the region since 2017, in particular in renewable energy via Race Bank Offshore Wind Farm off the coast of Grimsby and the Humber port sector via HES Humber Bulk Terminal. MIRA therefore believes the acquisition of KCOM will be complementary to its existing investments as these organisations all provide infrastructure and employment opportunities that contribute to the ever-growing Northern Powerhouse.

4. Recommendation

Pursuant to a firm offer announcement dated 24 April 2019, a cash offer was made for the acquisition of the entire issued and to be issued ordinary share capital of KCOM by Humber Bidco Limited, a wholly-owned

indirect subsidiary of Universities Superannuation Scheme Limited (acting in its capacity as sole corporate trustee of Universities Superannuation Scheme) by way of a court-sanctioned scheme of arrangement.

In light of the superior proposal put forward by MEIF 6 Fibre as compared to the USS Offer, the KCOM Directors, who have been so advised by Rothschild & Co as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing its advice to the KCOM Directors, Rothschild & Co has taken into account the commercial assessments of the KCOM Directors.

Accordingly:

- the KCOM Directors intend to recommend unanimously that KCOM Shareholders vote in favour of the Scheme at the Court Meeting, and in favour of the General Meeting Resolution to be proposed at the General Meeting; and
- the KCOM Directors have withdrawn their recommendation of the USS Offer and the KCOM Board proposes to adjourn the USS Scheme Meetings convened for 5 June 2019 to consider the USS Offer.

5. Background to and reasons for the KCOM Directors' recommendation

Following the announcement of the USS Offer on 24 April 2019, KCOM received an approach from MIRA regarding a possible higher cash offer by MEIF 6 Fibre. MEIF 6 Fibre has now made an offer of 108 pence per KCOM Share in cash.

The offer from MEIF 6 Fibre announced today represents an increase of 11 pence to the USS Offer of 97 pence per KCOM Share. Following careful consideration, the KCOM Board concluded that the offer from MEIF 6 Fibre represented a superior offer for KCOM Shareholders as compared with the USS Offer and intends to recommend unanimously the Acquisition to KCOM Shareholders, as set out in paragraph 4 above.

6. Information on MEIF 6 Fibre and MIRA

MEIF 6 Fibre is a wholly-owned indirect subsidiary of Macquarie European Infrastructure Fund 6 SCSp (an investment fund managed by MIRAEL).

MIRA is one of the world's leading alternative asset managers. For more than two decades, MIRA has partnered with investors, governments and communities to manage, develop and enhance assets relied on by more than 100 million people each day. As at 31 December 2018, MIRA managed over €110 billion in assets that are essential to the sustainable development of economies and communities, including: 200 portfolio businesses, approximately 400 properties and over 4 million hectares of farmland.

MIRA has been a leading owner and investor in critical telecommunications infrastructure since the early 2000s. Under MIRA's management, assets such as fibre and cable broadband networks, broadcast infrastructure, secure mobile networks, pay-TV, and mobile towers have provided services to millions of consumers and business customers.

Some of MIRA's notable investments in the telecommunications sector include Arqiva (part of the UK's "critical national infrastructure" and serving all of the UK's major broadcasters and mobile networks), TDC (Denmark's leading telecommunications company), and INEA (a Polish provider of fibre-to-the-home broadband and cable TV).

7. Information on KCOM

KCOM, a leading provider of IT and communications solutions to consumers and businesses across the UK, is one of the UK's longest-established communications companies, helping customers get connected since 1904. Throughout the decades, KCOM has stayed at the forefront of technology and communications. KCOM is focussed on three markets:

- Hull and East Yorkshire: KCOM provides voice and internet-based services to 140,000 consumers and businesses in the region;
- Enterprise: KCOM provides support for large enterprise and public sector organisations that need complex technology solutions to serve customers better and adapt to an ever-changing competitive and regulatory environment; and
- National Network Services: KCOM serves UK-based multi-site organisations that rely on connectivity as part of their business operations.

8. Intentions of MEIF 6 Fibre

The acquisition of KCOM represents an attractive opportunity for MIRA, via MEIF 6 Fibre, given KCOM's strong position in the market and community in which it operates. MIRA is excited to be partnering with KCOM, which has historically been at the forefront of the digital evolution, offering high quality and high speed products. MIRA is confident in the overall prospects of KCOM's businesses and looks forward to working with the KCOM management team to grow the value of the business in the long-term.

As an important broadband provider in the region, MIRA believes KCOM is well positioned to be the stepping stone for the growth and innovation of local business and has demonstrated this by taking the lead with its fibre roll-out initiative. MIRA intends for KCOM to continue its strong local commitment and further strengthen its reach and offerings.

Under MIRA's stewardship, it is intended that KCOM will continue to deliver the digital infrastructure needed for the economy to prosper in the region. MIRA believes this will help fuel further growth in the local economy and minimise digital exclusion.

Prior to this Announcement, and consistent with market practice, MIRA has been granted access to certain KCOM information for the purposes of conducting a high level confirmatory due diligence exercise.

KCOM Review

MIRA is aware of KCOM's ongoing strategic review (the ***KCOM Review***).

MIRA has not yet had the opportunity to work with management in order to formulate detailed plans or intentions regarding the impact of the Acquisition and the KCOM Review on KCOM and its businesses and employees, including any potential headcount reductions.

Based on a preliminary assessment of the KCOM Review findings, MIRA intends to increase the focus on KCOM's well-performing HEY business, with the possibility of expanding its existing footprint. MIRA will consider the other recommendations of the KCOM Review following the Effective Date, which will be implemented to the extent MIRA supports such recommendations.

MIRA's own plans

MIRA's own plans at this stage do not contemplate significant redundancies in the KCOM Group. However, as a result of the early stage of MIRA's work and KCOM's ongoing strategic review, MIRA has been unable to determine the precise impact on the KCOM Group's headcount going forwards.

Nevertheless, MIRA believes that the skills of the employees within the KCOM Group will be key to delivering high quality services to customers, and MIRA's vision for growth. MIRA believes that the expansion of KCOM's existing footprint will increase fibre accessibility to the region and contribute to the ever-growing "Northern Powerhouse". Following completion of the Acquisition, MIRA intends to:

- work with KCOM's management team to review the strategy of the HEY business with the aim of maximising network utilisation and consumer choice. MIRA is intending to work with KCOM to increase the number of households and businesses being served by its best in class network, by both increasing the number of customers buying KCOM's own retail offerings, and by increasing the amount of business with third party Internet Services Providers;
- work with KCOM's management to establish opportunities to use additional investment to expand the fibre network beyond the current footprint of the HEY business, to drive growth and employment opportunities. Whilst no decisions have yet been taken on whether additional investment would be made, if such additional investment was made, it would be funded from KCOM's existing cash resources, new equity from MEIF 6 Fibre, and/or third party debt;
- review initiatives to improve the performance of the National Network Services and Enterprise businesses to enhance customer experience, provide relevant and profitable services to customers, and improve platform efficiency to enhance margins;
- undertake a review of the strategic options for the National Network Services and Enterprise businesses. The review will focus on operating performance, viability of its offerings and long-term strategic fit in relation to MIRA's overall strategy. MIRA will work closely with management to evaluate different possible outcomes. At this stage, MIRA does not have sufficient insight to conclude on any outcomes, however it would expect potential options to include disposal of these businesses to a third party, refocusing of product catalogues, and integration into other business lines, among others; and
- work with KCOM's management to understand and implement any recommendations as to costs efficiencies, service improvements and organisational structure which result from the KCOM Review.

MIRA has not yet begun to carry out the detailed evaluation referred to in the paragraph above or made any decisions in relation to specific actions that may be taken as a result of this evaluation, including in relation to any impact on organisational structure and headcount. Independently of the KCOM Review, MIRA plans to carry out its own strategy review in close collaboration with KCOM management over three to six months following the Effective Date and expects to start implementation of any additional actions resulting from that review as soon as possible thereafter.

Once KCOM ceases to be a listed company, some central management, corporate and support functions, including PLC-related functions, may be reduced in scope, which is likely to require reduced headcount in these areas.

MIRA intends to safeguard the existing employment rights of the management and employees of the KCOM Group in accordance with applicable law and does not envisage any material change to the balance of skills and functions of existing employees and management of the KCOM Group, or in their conditions of

employment (other than the possible implementation of incentivisation arrangements for certain members of management as described below).

MIRA confirms it is also fully supportive of KCOM's initiatives to help foster a diverse local employment pool by actively encouraging participation in STEM subjects. MIRA intends for KCOM to continue its current local initiative during its stewardship as the benefits of a diversified workforce are also a high priority to MIRA – both as an owner and employer.

The non-executive directors of KCOM have informed MIRA that they intend to resign as KCOM Directors with effect from completion of the Acquisition.

MIRA recognises the importance of the KCOM pension schemes to their members. MIRA confirms that it has no intention of changing members' pension rights under the schemes and that the current level of employer contributions under the schemes' existing funding arrangements will continue. Prior to this Announcement, MIRA engaged in an initial discussion with the chair of the trustees of KCOM's defined benefit pension schemes in relation to the upcoming triennial valuation process and the Acquisition. Following completion of the Acquisition, MIRA intends to continue such discussions with the trustees of KCOM's defined benefit pension schemes in respect of the triennial valuation, the Acquisition and the funding position of the schemes. The KCOM defined benefit pension schemes are closed to new members and to future accrual.

MIRA has not entered into, and has not had discussions on proposals to enter into, any form of incentivisation arrangements with members of KCOM's management team. Post completion of the Acquisition, MIRA would intend to develop incentive arrangements for certain members of the KCOM management team.

MIRA intends to maintain KCOM's corporate headquarters and headquarters' functions in Hull. MIRA does not intend to change the locations of the places of business of the KCOM Group; however, the places of business of the National Network Services and Enterprise businesses may be impacted by MIRA's and KCOM's strategic reviews and any potential disposal of these businesses, as referred to above. MIRA has no intention of redeploying the fixed assets of KCOM. KCOM has no dedicated research and development function.

KCOM is currently listed on the Official List and, as set out in paragraph 13, it is intended that an application will be made to the London Stock Exchange to cancel trading in KCOM Shares and de-list KCOM from the Official List, in each case to take effect on or shortly after the Effective Date.

9. KCOM LTIP

The Scheme will extend to any KCOM Shares unconditionally allotted, issued or transferred prior to the Scheme Record Time to satisfy the exercise of options granted under the KCOM LTIP.

Participants in the KCOM LTIP will receive a letter explaining the effects of the Acquisition on their options and the actions they may take in respect of their options.

The Scheme will not extend to KCOM Shares issued after the Scheme Record Time. However, it is proposed to amend KCOM's articles of association at the General Meeting to provide that, following completion of the Acquisition, any KCOM Shares issued to any person other than MEIF 6 Fibre or its nominees after the Scheme Record Time (including in satisfaction of an option exercised under the KCOM LTIP) will be automatically transferred to MEIF 6 Fibre in consideration for the payment by MEIF 6 Fibre to such persons of an amount equal to the Acquisition Price for each KCOM Share so transferred.

10. Financing of the Acquisition

MEIF 6 Fibre is financing the Acquisition through equity to be invested indirectly by MEIF 6. In due course after the Acquisition has completed, MEIF 6 Fibre will consider putting in place an appropriate capital structure for the business, which is likely to include third party debt.

Barclays is satisfied that resources available to MEIF 6 Fibre are sufficient to satisfy in full the cash consideration payable to KCOM Shareholders under the terms of the Acquisition.

11. Offer-related Arrangements

Confidentiality Agreement

MIRAEL and KCOM entered into a confidentiality agreement on 21 May 2019 (the ***Confidentiality Agreement***) pursuant to which MIRAEL has undertaken to keep confidential information relating to KCOM and not to disclose it to third parties (other than permitted recipients) unless required by applicable law or regulation. These confidentiality obligations shall remain in force notwithstanding the completion or termination of discussions concerning the Acquisition between the parties, but will terminate on the date of completion of the Acquisition.

The Confidentiality Agreement also contains undertakings from MIRAEL to KCOM and from KCOM to MIRAEL that, for a period of 12 months from the date of the Confidentiality Agreement, neither party will solicit, employ or offer to employ officers, managers or senior employees of the other party.

Co-operation Agreement

MEIF 6 Fibre and KCOM have entered into the Co-operation Agreement, which records the intention of MEIF 6 Fibre and KCOM to implement the Acquisition by way of the Scheme. However, MEIF 6 Fibre may with the consent of the Panel implement the Acquisition by way of a Takeover Offer.

Pursuant to Clause 3 of the Co-operation Agreement, MEIF 6 Fibre and KCOM have agreed to co-operate in relation to any clearance as may be required from the FCA in connection with the Acquisition.

The Co-operation Agreement will terminate (a) if agreed in writing between MEIF 6 Fibre and KCOM; (b) if any condition to the Acquisition in Part A of Appendix 1 of this Announcement is or becomes incapable of satisfaction by the Long Stop Date (and MEIF 6 Fibre serves notice of termination); (c) if a third party announces a firm intention to make an offer which is recommended by the KCOM Directors (and MEIF 6 Fibre serves notice of termination); (d) if the KCOM Directors do not recommend, or withdraw, adversely qualify or adversely modify the recommendation of the Acquisition (and MEIF 6 Fibre serves notice of termination); or (e) unless the parties otherwise agree, if the Effective Date has not occurred by the Long Stop Date and in certain other circumstances specified in the Co-operation Agreement.

12. Structure of and conditions to the Acquisition

It is intended that the Acquisition will be implemented by means of a Court-approved scheme of arrangement between KCOM and KCOM Scheme Shareholders under Part 26 of the Companies Act.

The purpose of the Scheme is to provide for MEIF 6 Fibre to become the holder of the entire issued and to be issued ordinary share capital of KCOM. This is to be achieved by the transfer of the KCOM Shares to MEIF 6 Fibre, in consideration for which the KCOM Shareholders who are on the register of members at the Scheme Record Time will receive the Acquisition Price for each KCOM Share they hold.

Conditions to the Acquisition

The Scheme is subject to the Conditions and further terms set out in Appendix 1 and to be set out in the Scheme Document and will only become Effective if, among other things, the following events occur on or before the Long Stop Date or such later date as may be agreed in writing by MEIF 6 Fibre and KCOM (with the Panel's consent and as the Court may approve (if such approval(s) are required)):

- the approval of the Scheme by a majority in number of KCOM Scheme Shareholders, representing at least 75 per cent in value of the KCOM Scheme Shares held by those KCOM Scheme Shareholders present and voting, either in person or by proxy, at the Court Meeting;
- the General Meeting Resolution being duly passed by KCOM Shareholders representing 75 per cent or more of votes cast, whether in person or by proxy, at the General Meeting;
- the approval of the Scheme by the Court (with or without modification but subject to any modification being on terms acceptable to KCOM and MEIF 6 Fibre);
- the delivery of a copy of the Court Order to the Registrar of Companies; and
- all other Conditions to the Scheme, as set out in Appendix 1, being satisfied or (where applicable) waived.

Upon the Scheme becoming Effective, it will be binding on all KCOM Scheme Shareholders, irrespective of whether or not they attended or voted at the Court Meeting or the General Meeting. The cash consideration payable under the Scheme will be despatched to KCOM Scheme Shareholders by MEIF 6 Fibre no later than 14 days after the Effective Date.

Upon the Scheme becoming Effective, the non-executive directors of KCOM will resign as KCOM Directors.

Further details of the Scheme, including an indicative timetable for its implementation, will be set out in the Scheme Document. It is expected that the Scheme Document and the Forms of Proxy accompanying the Scheme Document will be published as soon as practicable and, in any event, within 28 days of this Announcement. The Scheme Document and Forms of Proxy will be made available to all KCOM Shareholders at no charge to them.

The Scheme will be governed by English law and will be subject to the jurisdiction of the Court. The Scheme will also be subject to the applicable requirements of the Takeover Code, the Panel, the London Stock Exchange and the FCA.

13. De-listing and re-registration

Prior to the Scheme becoming Effective, KCOM will make an application for the cancellation of the listing of KCOM Shares on the Official List and for the cancellation of trading of the KCOM Shares on the London Stock Exchange's main market for listed securities, in each case to take effect from or shortly after the Effective Date.

On the Effective Date, share certificates in respect of KCOM Shares will cease to be valid and entitlements to KCOM Shares held within the CREST system will be cancelled.

It is also proposed that, following the Effective Date and after its shares are de-listed, KCOM will be re-registered as a private limited company.

14. Dividends

If any dividend or other distribution or return of capital is authorised, declared, made or paid in respect of KCOM Shares on or after the date of this Announcement and prior to the Effective Date, MEIF 6 Fibre reserves the right to reduce the Acquisition Price by an amount up to the amount of such dividend or other distribution or return of capital for each KCOM Share, in which case the eligible KCOM Shareholders will be entitled to receive and retain such dividend or other distribution or return of capital.

15. Disclosure of interests in KCOM

As at the close of business on the Last Practicable Date, none of MEIF 6 Fibre or any of its directors or, so far as MEIF 6 Fibre is aware, any person acting, or deemed to be acting, in concert with MEIF 6 Fibre, had:

- an interest in, or right to subscribe for, relevant securities of KCOM;
- any short position in (whether conditional or absolute and whether in the money or otherwise), including any short position under a derivative, any agreement to sell or any delivery obligation or right to require another person to purchase or take delivery of, relevant securities of KCOM;
- procured an irrevocable commitment or letter of intent to accept the terms of the Acquisition in respect of relevant securities of KCOM; or
- borrowed or lent any relevant securities of KCOM or entered into any financial collateral arrangements or dealing arrangements in respect of any KCOM Shares.

In the interests of secrecy prior to this Announcement, MEIF 6 Fibre has not made any enquiries in respect of the matters referred to in this paragraph of certain parties who may be deemed by the Panel to be acting in concert with MEIF 6 Fibre for the purposes of the Acquisition. Enquiries of such parties will be made as soon as practicable following the date of this Announcement, and MEIF 6 Fibre confirms that further disclosure in accordance with Rule 8.1(a) and Note 2(a)(i) on Rule 8 of the Takeover Code will be made and included in the Scheme Document.

16. General

MEIF 6 Fibre reserves the right to elect, subject to the consent of the Panel and the terms of the Co-operation Agreement, to implement the Acquisition of the KCOM Shares by way of a Takeover Offer as an alternative to the Scheme. In such event, such Takeover Offer will be implemented on substantially the same terms and conditions, so far as applicable, as those which would apply to the Scheme subject to appropriate amendments, including (without limitation) an acceptance condition set at 90 per cent (or such other percentage (being more than 50 per cent) as MEIF 6 Fibre may decide (subject to the Panel's consent)) (i) in nominal value of the shares to which such Takeover Offer relates; and (ii) of the voting rights attaching to those shares.

The Acquisition will be made subject to the Conditions and further terms set out in Appendix 1 and to be set out in the Scheme Document. The bases and sources of certain financial information contained in this Announcement are set out in Appendix 2. Certain definitions and terms used in this Announcement are set out in Appendix 3.

Barclays, Rothschild & Co, Peel Hunt and Investec have each given and not withdrawn their consent to the publication of this Announcement with the inclusion herein of the references to their names in the form and context in which they appear.

Additional information for US Shareholders

KCOM Shareholders in the United States should note that the Acquisition relates to the securities of an English company and is proposed to be implemented pursuant to a scheme of arrangement provided for under English company law. A transaction implemented by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the US Exchange Act. Accordingly, the Acquisition will be subject to UK procedural and disclosure requirements and practices applicable to a scheme of arrangement involving a target company in England, which are different from the disclosure requirements of the US tender offer and proxy solicitation rules. The financial information included in this Announcement and other documentation relating to the Acquisition has been or will have been prepared in accordance with International Financial Reporting Standards and thus may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the US. If MEIF 6 Fibre exercises its right, in the circumstances provided for in this Announcement, to implement the Acquisition by way of a Takeover Offer, such Takeover Offer will only be made in the United States in accordance with the US Exchange Act.

In accordance with normal UK practice and pursuant to Rule 14e-5(b) of the US Exchange Act, MEIF 6 Fibre, certain affiliated companies and their respective nominees or brokers (acting as agents) may make certain purchases of, or arrangements to purchase, KCOM Shares, other than pursuant to the Acquisition, until the date on which the Takeover Offer and/or Scheme becomes Effective, lapses or is otherwise withdrawn. If such purchases or arrangements to purchase were to be made they would be made outside the United States and would comply with applicable law, including the US Exchange Act. These purchases and activities by exempt principal traders which are required to be made public in the United Kingdom pursuant to the Takeover Code will be reported to a Regulatory Information Service and will be available on the London Stock Exchange website at www.londonstockexchange.com. The receipt of cash pursuant to the Acquisition by a US Shareholder as consideration pursuant to the terms of the Acquisition may be a taxable transaction for US federal income tax purposes and under applicable US state and local, as well as foreign and other, tax laws. Each US Shareholder is urged to consult his or her independent professional adviser immediately regarding the tax consequences of the Acquisition applicable to him or her.

It may be difficult for US holders of KCOM Shares to enforce their rights and claims arising out of the US federal securities laws, since MEIF 6 Fibre and KCOM are located in countries other than the United States, and some or all of their officers and directors may be residents of countries other than the United States. US holders of KCOM Shares may not be able to sue a non-US company or its officers or directors in a non-US

court for violations of US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgement.

The factors described in the context of such forward-looking statements in this Announcement may cause the actual results, performance or achievements of any such person, or industry results and developments, to be materially different from any results, performance or achievements expressed or implied by such forward-looking statements. No assurance can be given that such expectations will prove to have been correct and persons reading this Announcement are therefore cautioned not to place undue reliance on these forward-looking statements which speak only as at the date of this Announcement. Neither MEIF 6 Fibre nor KCOM, nor their respective members, directors, officers or employees, advisers or any person acting on their behalf, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this announcement will actually occur.

None of MEIF 6 Fibre, KCOM or their respective members, directors, officers, employees, advisers and any person acting on behalf of one or more of them undertakes any intention or obligation to update publicly or revise forward-looking statements, whether as a result of new information, future events or otherwise, except to the extent legally required. Neither MEIF 6 Fibre nor the KCOM Group, nor any of their respective associates, directors, officers, employees or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this Announcement will actually occur.

Disclosure requirements of the Takeover Code

Under Rule 8.3(a) of the Takeover Code, any person who is interested in one per cent or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the Offer Period and, if later, following the Announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 pm on the 10th Business Day following the commencement of the Offer Period and, if appropriate, by no later than 3.30 pm on the 10th Business Day following the Announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Takeover Code, any person who is, or becomes, interested in one per cent or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 pm on the Business Day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue, when the Offer Period commenced and when any offeror was first identified. You should contact the Panel's Market Surveillance Unit on +44 (0)20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure.

1. The Scheme will not become Effective unless the Conditions have been fulfilled or (if capable of waiver) waived or, where appropriate, have been determined by MEIF 6 Fibre to be or remain to be satisfied by no later than the Long Stop Date.
2. MEIF 6 Fibre reserves the right in its sole discretion (subject to the requirements of the Takeover Code and the Panel) to waive:
 - (a) those parts of all or any of the Conditions set out in paragraph 2 of Part A of this Appendix 1 relating to the deadlines for the Court Meeting, General Meeting and/or the Court Hearing. If any such deadline is not met, MEIF 6 Fibre shall make an announcement by 8.00 a.m. on the Business Day following such deadline confirming whether it has invoked the relevant Condition, waived the relevant deadlines or agreed with KCOM to extend the relevant deadline; or
 - (b) in whole or in part, all or any of Conditions 3(a) to (k) of Part A of this Appendix 1 above.
3. MEIF 6 Fibre shall be under no obligation to waive (if capable of waiver), to determine to be or remain satisfied or to treat as fulfilled any of the Conditions in Part A above by a date earlier than the latest date specified above for the fulfilment of that condition, notwithstanding that the other Conditions may at such earlier date have been waived or fulfilled and that there are, at such earlier date, no circumstances indicating that any Condition may not be capable of fulfilment.
4. Under Rule 13.5(a) of the Takeover Code, MEIF 6 Fibre may not invoke a Condition to the Acquisition so as to cause the Acquisition not to proceed, to lapse or to be withdrawn unless the circumstances which give rise to the right to invoke the Condition are of material significance to

MEIF 6 Fibre in the context of the Acquisition. Conditions 2(a), 2(b) and 2(c) and 2(d) and if applicable, any acceptance condition if the Acquisition is implemented by means of a Takeover Offer, are not subject to this provision of the Takeover Code.

Part C Implementation by way of Takeover Offer

1. MEIF 6 Fibre reserves the right to elect, subject to the consent of the Panel and the terms of the Co-operation Agreement, to implement the Acquisition by way of a Takeover Offer. In such event, such Takeover Offer will be implemented on substantially the same terms and conditions, so far as applicable, as those which would apply to the Scheme subject to appropriate amendments, including (without limitation) an acceptance condition set at 90 per cent (or such other percentage (being more than 50 per cent) as MEIF 6 Fibre may decide (subject to the Panel's consent)) (i) in nominal value of the shares to which such Takeover Offer relates; and (ii) of the voting rights attaching to those shares.

Part D Certain further terms of the Acquisition

1. The availability of the Acquisition to persons not resident in the UK may be affected by the laws of the relevant jurisdictions. Persons who are not resident in the UK should inform themselves about, and observe, any applicable requirements. Further information in relation to Overseas Shareholders will be contained in the Scheme Document.
2. If MEIF 6 Fibre is required by the Panel to make an offer for KCOM Shares under the provisions of Rule 9 of the Takeover Code, MEIF 6 Fibre may make such alterations to any of the above Conditions as are necessary to comply with the provisions of that Rule.
3. The KCOM Shares will be acquired by MEIF 6 Fibre fully paid and free from all liens, charges, equities, encumbrances, options, rights of pre-emption and any other third party rights and interests of any nature whatsoever and together with all rights attaching to them as at the date of this Announcement or subsequently attaching or accruing to them including, without limitation, voting rights and the right to receive and retain, in full, all dividends and other distributions (if any), declared, made or paid, or any other return of capital (whether by way of reduction of share capital or share premium account or otherwise) made on or after the date of this Announcement and before the Effective Date.
4. If any dividend or other distribution or return of capital is authorised, declared, made or paid in respect of the KCOM Shares on or after the date of this Announcement and prior to the Effective Date, MEIF 6 Fibre reserves the right to reduce the Acquisition Price by an amount up to the amount of such dividend or other distribution or return of capital for each KCOM Share. If MEIF 6 Fibre exercises this right or makes such reduction in respect of a dividend or other distribution that has not been paid, KCOM Shareholders will be entitled to receive and retain that dividend or other distribution or return of capital.
5. The Acquisition will lapse and the Scheme will not become Effective if the European Commission either initiates proceedings under Article 6(1)(c) of the EU Merger Regulation in respect of the Acquisition, or makes a referral to the competent UK authority (being the Competition and Markets Authority) under either Article 4(4) or Article 9(1) of the EU Merger Regulation and there is then a CMA Phase 2 Reference in respect of the Acquisition, before 11.59 p.m. on the date immediately preceding the date of the Court Meeting.

6. The Scheme will be governed by the laws of England and Wales and be subject to the jurisdiction of the Court and to the Conditions and further terms set out in this Announcement and to be set out in the Scheme Document. The Acquisition will comply with the applicable requirements of the FCA, the London Stock Exchange and the Court, as well as with the Takeover Code.
7. Each of the Conditions shall be regarded as a separate Condition and shall not be limited by reference to any other Condition.
